PETITION UNDER 37 C.F.R. § 1.137(b)

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

September 28, 2004

Sir:

The due date for commencing U.S. national processing of the above-noted PCT application was September 26, 2004; however, due to an unintentional oversight, this filing was not accomplished. It is requested that this application be revived (the documents for commencing U.S. national phase processing are submitted herewith).

The undersigned asserts that the entire delay in commencing U.S. national phase processing between the due date (September 26, 2004) and the date of filing a grantable petition under 37 C.F.R. § 1.137(b) was unintentional.

The government fee (\$1,330.00) should be charged to Deposit Account No. 04-2223.

Respectfully submitted,

DYKEMA GOSSETT PLLC
